#### PROSECCO BRUNCH CHANGES

Firstly, its great to have you back.

However, due to Government guidelines, we have had to change our amazing brunch offering.

Please have a quick look over to familiarise yourself ...  
- Brunch is now a 1.5hr booking slot. This is due to the reduction of table capacity for the venue.

- Therefore Brunch is now 2 courses, Main & Dessert.

- Prosecco will be limited to 1 bottle per person. This is to help us help you stay safe.

- When your bottle is empty, please turn it upside down in the cooler, we will be over very soon. We promise.

- It is table service only, please dont come to the bar.

- We want to keep all our staff & other customers safe at this time, so please keep your physical distance.

We know this is not how our amazing brunch was created & always enjoyed, but we really want to be able to offer a version of this, as we re-open. Please help us stick to all the new policies and keep safe, so we can get back to our "OLD NORMAL" brunch.

We do want you to have a great time, so let us look after you safely and enjoy yourself.

Thanks for your support, Team h&b xxxx
